

## **U.S. 101 Auxiliary Lane Project**

**San Mateo County** - The California Department of Transportation (Caltrans) announced that the U.S. 101 Auxiliary Lanes Project will close pedestrian access at the Peninsula Avenue overcrossing to Coyote Point to reconstruct the current structure. The closure will be in place beginning May 29, 2007 until further notice. Motorists will have access across the structure while pedestrians will not be allowed.

At another location:

Beginning June 15, 2007 the Monte Diablo Avenue bicycle/pedestrian overcrossing will be demolished. The overcrossing will be demolished and rebuilt between June 15, 2007 and August 15, 2007.
